### **Buure Z'Morge**

Our 30-year anniversary celebration officially kicked off on October 16<sup>th</sup> with our Buure Z'Morge. All our members were busy shopping, baking, cooking, planning and decorating for this special event at the Glenbrook Community Center. It was a well attended event by young and old alike. We all thoroughly enjoyed the feast with homemade Zopf, Jams, Birchermüesli and deserts as well as all sorts of cheese, cold cuts, fruit and more. After a great meal, the dance club Alpenrösli performed 3 dances and then had everyone join in to dance the Allewander, which is one of the first dances ever learned by the dance group. There was a lot of laughter and fun to be had. To close a fun filled Sunday, Kathi Gyger led us into a Polonaise dance. This is a dance that everyone can partake in as it's just walking to the beat of a march led by the caller (Kathi). It's a lot of fun and involves everyone. Great job, well done all!

**If you enjoyed dancing with us, then please let us know!** We would love to have you come out and join our group. Visit us for a practice and give it another try, who knows, this might just be the thing for you. It's a way to do something you love in connection with some great exercise, fun, companionship as well as a break to refuel your batteries. ## Fondue Dance 2011

Celebrating  
**30** Years  
1981 - 2011

This year's Folk Dance Club Alpenrösli's Fondue dance was a huge success. As always there were plenty of friendly faces and a record turnout of members and guests from all over Alberta. Gary and Markus surprised us all with a new cheese fondue recipe - the best ever tasted; and what a fitting way to celebrate our 30<sup>th</sup> year as a group! Thank you! We always try our best to make this event special for everyone.

All the guests stood strong by not bringing and using their "home booze" to insure the continued future success of our great fondue dance event. The decision to sell a high end fine Kirsch at cost was welcomed and supported by all and incidentally sold out in no time.

A big "thank you" also goes out to our two volunteer bartenders, Michelle and Spencer. They did a wonderful job at serving our guests efficiently and with a smile.

And here is a comment from one of our guests:

*As a guest, I would like to take this opportunity to convey a heart-felt "Thank you" to all who made this fondue dance possible and worked so hard all day long. It was a special treat to see the dance group perform three brand new dances, "bravo"! The dessert table was as always a hit for everyone to enjoy. The accordion club made the Tombola table look very impressive again, a fantastic way to enhance the event. I, along with all the guests look forward to many more fondue dance events in the future. It's a great night out for all.*
